

## **Indianapolis – “Restart Your Engines with CAC” Midwest/East Regional Weekend October 8 - 11, 2021**

Indianapolis, known as Indy, is the state capital and most-populous city in Indiana. The city is perhaps best known for annually hosting the world's largest single-day sporting event, the Indianapolis 500.

Among the city's historic sites and districts, Indianapolis is home to the largest collection of monuments dedicated to veterans and war casualties in the U.S. outside of Washington, D.C.

Two major league sports teams are based in Indianapolis: the Indianapolis Colts of the National Football League (NFL) and the Indiana Pacers of the National Basketball Association (NBA).

The Children's Museum of Indianapolis is the largest of its kind in the world. The museum is one of the city's most popular attractions, with over 1.2 million visitors a year.

The Indianapolis Motor Speedway Museum exhibits an extensive collection of auto racing memorabilia showcasing various motorsports and automotive history. The museum is the permanent home of the Borg-Warner Trophy, presented to Indianapolis 500 winners. Daily grounds and track tours are also based at the museum.
