TOURS INCLUDE:

Thursday: (\$48 – includes booking fees) (10:30- 4:30) The **Western Maryland Scenic Railroad** takes us on a ride through the colorful surrounding country with a peaceful meandering trip from Cumberland through neighboring forests and farmlands and then returns to Cumberland. One of the railroad's locomotives (* but not pulling our train) is the Baldwin #1309 steam engine, built in 1949 for the C&O railroad, and restored to service in 2021. The train will have a 1.5 hour layover in Frostburg, with time to look around and/or get lunch (on your own).

*** You must be at the Cumberland train station at 11:00 am; unless you have a short drive from home, you may want to consider arriving on Wednesday.

Friday: (\$65) (Expected time 9:00 am to 4:00 pm) Bus trip to the **Flight 93 National Memorial Park** 35 miles away in Shanksville, PA. This park commemorates the 40 brave souls who took down their hijacked flight and prevented it from reaching its intended target - the United States Capitol Building. There will be a stop a few minutes from the memorial where you can buy your own lunch.

*** requires a minimum of 20 people for the bus.

Saturday: (\$25) (Expected time: 9:30 am to 3:00 pm) **Cumberland Tour** including Emmanuel Church, built in 1849 on the former site of Fort Cumberland. This Episcopal church is notable for its Gothic Revival architecture as well as beautiful stained glass, some by Lewis Tiffany. Beneath the building, tunnels left from the fort served as passages on the Underground Railroad to help escaped slaves to freedom. We will visit nearby historical sites including a cabin used occasionally as George Washington's headquarters. There will be a lunch stop (on your own). This will include some walking. We will plan accommodations for those who wish to do only parts of this tour.
